MEMORANDUM FOR ALMAJCOM-FOA-DRU/CV  
DISTRIBUTION C

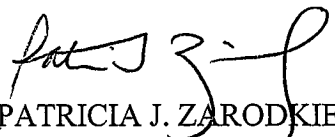

FROM: SAF/AA  
1720 Air Force Pentagon  
Washington DC 20330-1720

SUBJECT: Temporary Suspension of Single Scope Background Investigation Periodic Reinvestigations (SSBI-PRs) and Phased Periodic Reinvestigations (PPRs)

Due to ongoing fiscal challenges and a significantly improved security clearance investigation/adjudication timeline, we are instituting a short term change with submission of Top Secret periodic security clearance reinvestigations. Effective immediately, and until 2 Jul 2012, suspend submission of SSBI-PRs and PPRs. This suspension includes Mandatory Air Force Specialty Codes maintained in the Air Force Officer Classification Directory and Air Force Enlisted Classification Directory.

Investigations for personnel assigned to Personnel Reliability Programs, Presidential Support Programs, Special Access Programs and personnel with access to Sensitive Compartmented Information who are in positions directly supporting the Intelligence Community will not be suspended. Additional exceptions must be approved by SAF/AAP and the AFCAF.

If you have any questions please contact Mr. Herman Mitchell, SAF/AAP at 703-6930644, [Herman.Mitchell@pentagon.af.mil](mailto:Herman.Mitchell@pentagon.af.mil) or Ms Jennifer Aquinas, SAF/AAP at 703-693-0158, [Jennifer.Aquinas@pentagon.af.mil](mailto:Jennifer.Aquinas@pentagon.af.mil).
